

HUERTAS JUNIOR COLLEGE
CAGUAS, PUERTO RICO

Drug and Alcohol Plan Effectiveness

ITEM	CRITERIA	VIOLATIONS
1.	<p><i>This Regulation requires that educational institutions adopt a program to offer services and guidance about the use and abuse of drugs and alcohol.</i></p> <p>To comply with the law requirement, Huertas Junior College has adopted the prohibition of distribution, use or consumption of drugs and/or alcohol in the institutional physical facilities or during its activities.</p>	0
	Huertas provides students with orientation, written information and professional guidance to all first time students and provides its student population with constant reminders of its policy throughout the year in institutional website.	0
2.	<p><i>Use, management or distribution of controlled substances in the institutional facilities.</i></p> <p>The school has not detected any incident during the past four years involving distribution of controlled substances in its institutional facilities or activities. The school has trained its personnel in early detection of possible violations. Early detection starts at admission level and continues throughout the enrollment period. The school has a restricted access to its campus facility and security personnel throughout the school. This has proven to be an effective deterrent. As a rule the school takes special care during admission process to insure admission of students who are not involved in this terrible tragedy.</p>	0
3.	<p><i>Controlled substances possession</i></p> <p>There have been no instances of controlled substances possession reported during the past years. Instructors, educational personnel have been trained as to the procedure to follow in such instances.</p>	0
4.	<p><i>Sale of controlled substances</i></p> <p>There have been no instances of sales of controlled substances possession reported during the past years. Instructors, educational personnel have been trained as to the procedure to follow in such instances.</p>	0
5.	<p><i>Manufacture, possession, sale and distribution of any controlled substance, illegal or narcotic drugs. Cocaine, marijuana, heroin, amphetamines and other stimulants, narcotics, crack, opium, morphine, LSD, barbiturates, mescaline (peyote) and hallucinogenic substances</i></p>	0

	There are no reported cases of this activity. However the school is constantly reminding students of the consequences of violating this code. The school publishes and exhibits throughout its facilities the code and the consequences of not meeting its requirements.	0
6.	<i>Controlled substances possession. The law prohibits the manufacture, possession, sale and distribution of any controlled substance, illegal or narcotic drugs. Cocaine, marijuana, heroin, amphetamines and other stimulants, narcotics, crack, opium, morphine, LSD, barbiturates, mescaline (peyote) and hallucinogenic substances are forbidden by law.</i>	0
	There are no reported cases of this activity. However the school is constantly reminding students of the consequences of violating this code. The school publishes and exhibits throughout its facilities the code and the consequences of not meeting its requirements.	0
7.	<i>The federal law also establishes that any person that is convicted for a criminal action related with the use, sale or possession of illegal drugs will lose the eligibility to receive federal funds.</i>	0
	Since there are no reported cases involving this violation we have not had need to apply this regulation	0
	The Institution has available printed material regarding prevention of the use and abuse of drugs and alcohol.	0
	The Health Services Coordinator and the personnel of the Guidance and Counseling Office are responsible to offer information about this to topic to individuals.	0
	Program results are reviewed each year during the review of the school development plan. If any changes are needed it is at time that action takes place. That is unless the situation is of such magnitude that requires immediate action. If it requires immediate action school administration and the Board of Directors will take appropriate action.	0
